Additional Information

ACHIEVEMENTS:

- Successfully submitted a project report on the topic "Spectroscopic Applications in Forensic Science" during my master's program, working under the guidance of Prof. S Uma.
- Completed a review report on "Conversion of Carbon Dioxide into Valuable Fuels" during my undergraduate studies, under the mentorship of Assistant Professor Najeera PC.

EXTRACURRICULAR ACTIVITIES:

- Actively participated in Science Club activities during my academic tenure, showcasing a well-rounded approach to personal and professional development.
- Demonstrated enthusiasm in public speaking and debating, contributing to a vibrant and collaborative learning environment.
